DESCRIPTION/OPTIONS: Here is the opportunity you've been waiting for! This vehicle won't be on the lot long! An awesome price considering its low mileage! A turbocharger further enhances performance, while also preserving fuel economy. With less than 10,000 miles on the odometer, this 4 door sport utility vehicle excels in its class, and is equipped to provide comfort, safety and style. Comfort and convenience were prioritized within, evidenced by amenities such as: front fog lights, a power liftgate, and power seats. Smooth gearshifts are achieved thanks to the 2 liter 4 cylinder engine, and load leveling rear suspension maintains a comfortable ride. Well tuned suspension and stability control deliver a spirited, yet composed, ride and drive. Our experienced sales staff is eager to share its knowledge and enthusiasm with you. They'll work with you to find the right vehicle at a price you can afford. We are here to help you.
